

Visiting Scientist Fellowship 2023 - 2024

ELI LILLY AND COMPANY

Interested in post-graduate opportunities in the pharmaceutical industry?

The **Visiting Scientist Fellowship (VSF)** is a highly respected industry-based program designed to train professionals for a career in the pharmaceutical industry through cross-functional exposure to medical, commercial, clinical development, project management and regulatory aspects of drug development. This program requires a **PharmD, MD, PhD, or relevant Masters.**

“Take what you find here and make it better and better.”

- Colonel Eli Lilly, 1882
