

## **Invitation to Submit Virtual Pre-Recorded Research Presentations**

Northern Light Clinical Research Center will hold its annual Research Expo as a virtual event on Wednesday, May 24, 2023. Researchers affiliated with Northern Light Health, research partners, residents and medical students are invited to present their research projects, and other scholarly work virtually during the expo. Posters will be uploaded to the Clinical Research Center website for viewing throughout the full week of the EXPO, May 22<sup>nd</sup> - May 26<sup>th</sup>. A link to the posters will be included on the expo agenda.

Poster presentations may be submitted as a standard one-page PDF, or as a pre-recorded PowerPoint presentation both with optional voice-over. Individuals interested in submitting a poster presentation may contact the Clinical Research Center staff by email: [clinicalresearchcenter@northernlight.org](mailto:clinicalresearchcenter@northernlight.org)

Guidelines for both standard one-page PDF posters, and PowerPoint presentations are attached. Clinical Research staff at Northern Light Eastern Maine Medical Center are available to assist with questions until April 17; the deadline for receipt of completed presentations is May 1st. Presentations should be submitted at the following URL:
